

AIYI Technologies

Company Introduction

2021

www.AIYITEC.com

INTRODUCTION

We Provide solutions of Gas & Dust detection around the world!

- National High-tech company that combines the R&D, Production and Sales.
- Work on the solutions for combustible and toxic gas detection system, online gas analysis system and dust monitor system.
- Provide full-time services for clients.
- Worldwide Agents and Distributors.

AIYI factory

AIYI brand

Scientific innovation Specialized dedicated

HONORS

- National High-Tech Company
- AAA-credit Company, Member of China Environment Association
- SGS certificate, ISO certificate, CCCF certificate, PCEC certificate
- ATEX certificate, SIL2 certificate, SILVER award of MEI AWARDS on AG310 series detector

PRODUCT LINE

- Portable Gas Detectors
- Gas Detection System
- Online Gas Analyzers
(NDIR; NDUV; Paramagnetic
Electrochemical)
- Dust Monitoring System

The advertisement banner features the AE logo in the top left and ISO 9001 and SGS logos in the top right. The central text reads "CREATED IN CHINA" and "LOVED BY THE WORLD". Below this, five product images are displayed with their respective labels: a handheld portable gas detector, a yellow fixed gas detector, a white control panel, a white gas analyzer, and a black dust monitor. The website address "WWW.AIYTEC.COM" is at the bottom.

AE **ISO 9001** **SGS**

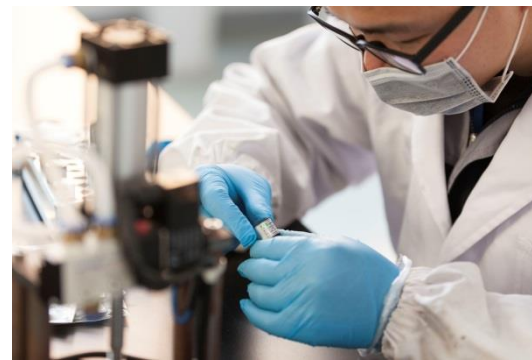

CREATED IN CHINA
LOVED BY THE WORLD

PORTABLE GAS DETECTOR **FIXED GAS DETECTOR** **CONTROL PANEL** **GAS ANALYZER** **DUST MONITOR**

R&D

- Creation is our core power, we held over 40 patents
- Annual invest over 10% of sales as research and development expenses. Equipped with chemical lab, Testing lab, 3D printer, etc.
- Focus on gas sensors technology

QUALITY CONTROL

- International Qualified certificates to make sure the safety for customers
- All Products get 3 days aging test, 7 times calibration with certificate and AIYI's QC approved

ATEX Certificate certificate

SGS certificate

ISO certificate

SIL2

CERTIFICATE OF CALIBRATION

INSTRUMENT: PORTABLE GAS DETECTOR

calibration certificate

PRODUCTION

- ISO: 9001-2015 Quality Management System
- Equipped with Temperature & Humidity Chamber, Gas Compounding Chamber, Electronic Thermometer, 3D printer, etc.

PRODUCTION

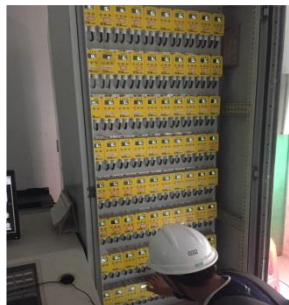

MARKET

- AIYI Technologies provides product to customers over 50 countries, Free Training and Overseas support is available
- We are realizing “*MADE IN CHINA, LOVED BY THE WORLD*” with AE brand

MARKET

CLIENTS
